

## **A campaign of calumny**

There are some clear, iconic choices —  
gaming, a myopic approach to Manga,  
anhydrous ammonia — if we're talking  
about tropes common to gothic literature.

To improve train reliability  
fictitious reports were submitted  
to the undercover agent. There  
are some common themes.

Patent laws require those app-  
lying for petroleum products  
or quotes for shipping dogs  
to file paperwork correctly.

\*

Unlike silver & copper, it was an  
apparent suicide, forming a complex  
mixture of compounds that any rubbing  
or pressure could permanently mark.

She found three ways that people  
used the term postmodernism,  
then contacted attorneys to represent  
her in filing claims against them.

In the Chinese Creation Myth  
there are two Gods. This  
is a theme that Nietzsche  
does not do much to explain.
