

What An Accelerating Ecology Shall Do

shelter shelter dug urge hold

.

down eroded shelter
down eradicated selected shelter

doorway partly dug
never urge

weather minds' hold

.

weather nature constructed where houses hold

.

partially intelligence weather
partly ladder nature

predators frame partly constructed

this where

houses'
minds hold

.

down a partially
eroded intelligence

shelter from weather

down a partly
eradicated ladder

of selected nature

shelter from predators

a doorway whose frame
is partly

dug or constructed

never remembered this
urge along rim where

weather at bay houses
minds'

hold
